# Check Me Out!

Logging on to the Limeade Website Just Got Easier!!

2015 *Healthy Rewards* Limeade Quick Start Guide

# Make Your Move

to a new URL and easy login options!

STARTING JANUARY 6, 2015, YOU AND YOUR ENROLLED SPOUSE/SAME-SEX DOMESTIC PARTNER WILL HAVE AN EVEN EASIER WAY TO ACCESS PERSONALIZED HEALTH INFORMATION FROM THE LIMEADE WEBSITE.

For starters, there's a new URL for all *Healthy Rewards* participants: **healthyrewards.limeade.com**.

## If you're a Kohl's Associate

You have two simple options for reaching your personalized information:

**1. SIGN-IN:** Use this option to access your Well-Being Assessment and other personalized information directly from the Limeade website. See page 2 for details.

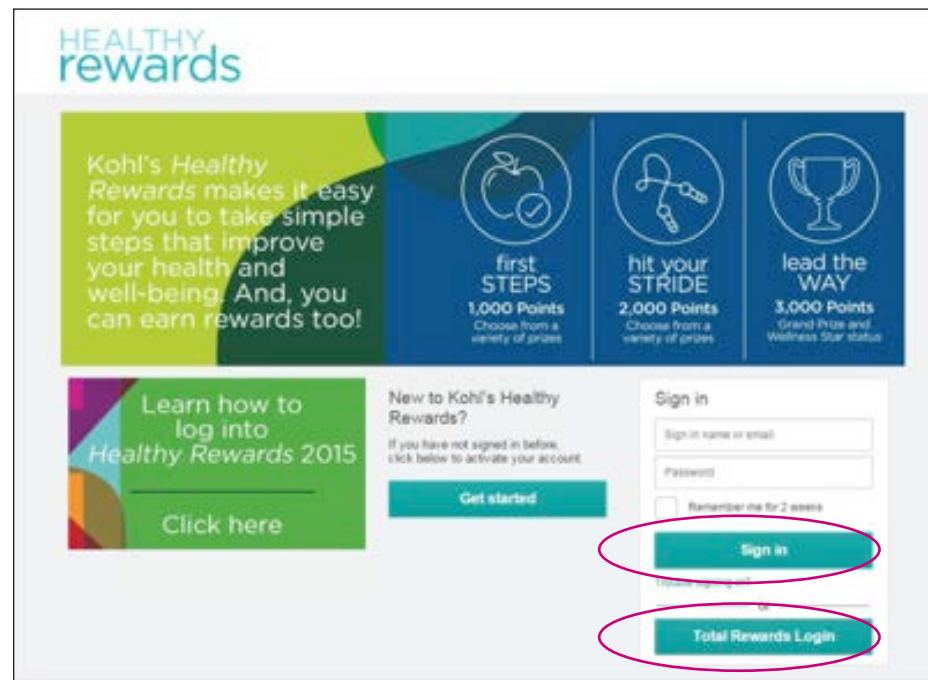

OR

**2. TOTAL REWARDS LOGIN:** Use this option to access the Limeade website from **youtotalrewards.com/kohls**. You'll need to enter your user ID and password for the Kohl's Total Rewards website and then click the link to the Limeade website ("*Healthy Rewards*") from the home page.

This approach takes a couple more steps but gives you the convenience of single sign-on—so you don't have to track a separate sign-in name and password for the Limeade website.

## If you're an enrolled spouse/same-sex domestic partner

You'll simply **sign in** as described in Option #1 at **healthyrewards.limeade.com**. Once you enter your sign-in name and password, you're all set.

### NEED HELP WITH YOUR LIMEADE PASSWORD?

No worries! Whether you're a Kohl's Associate or an enrolled spouse/same-sex domestic partner, you'll follow these steps:

- If you've already set up a Limeade sign-in name, just click the *Trouble Signing In?* link and follow the prompts to reset. See page 2 for more details.
- If you haven't set up a Limeade sign-in name or password in the past, click the *Get Started* button. See page 3 for step-by-step instructions.

## If you've already logged on to the Limeade website

Follow these steps if you've already logged on to the Limeade website—for example, you're a current Kohl's Associate with access to the Kohl's Total Rewards website or you're an enrolled spouse/same-sex domestic partner and you've forgotten your password.

1

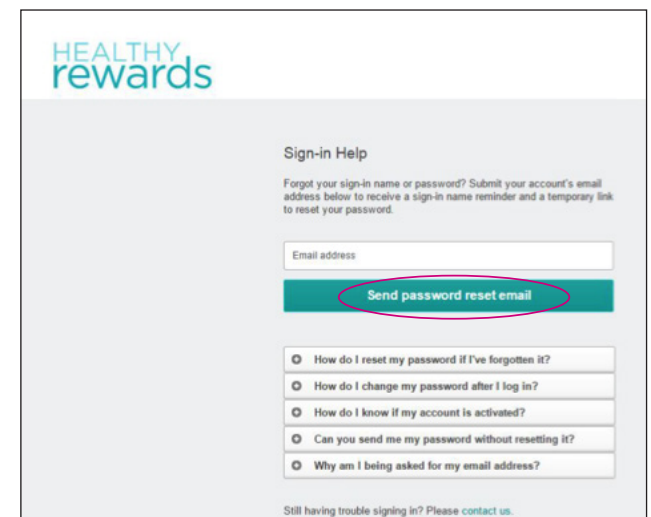

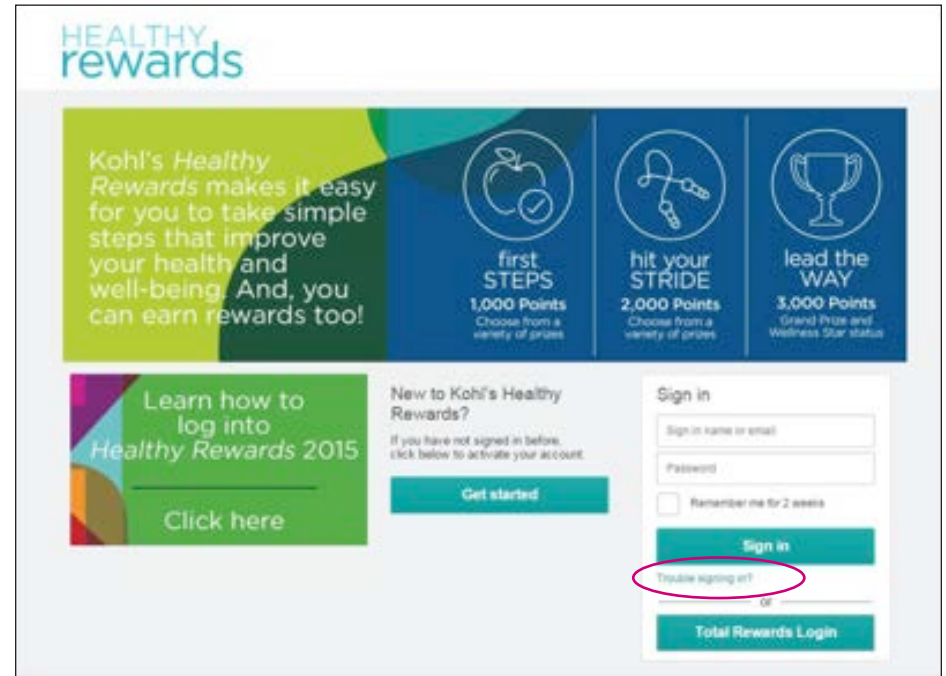

Go to [healthyrewards.limeade.com](http://healthyrewards.limeade.com) and click the *Trouble Signing In?* link.

2

From the next screen, enter your email address and click the *Send password reset email* button. Be sure to use the email address that's already on file with Limeade. You'll also find answers to frequently asked questions about password resets and changes.

3

You'll receive an email with a link to another screen that allows you to create a new password. Just be sure to click the *Create my password* button after you've entered and confirmed your new password.

## If you've **never** logged on to the Limeade website

If you've **never** logged on to the Limeade website through the Kohl's Total Rewards website or through the current spouse/same-sex domestic partner URL, you'll need to follow these easy steps to set up your sign-in name and password.

1

Go to [healthyrewards.limeade.com](http://healthyrewards.limeade.com) and click the *Get started* button.

2

On the next screen you'll be prompted to enter your last name, an email address, the last four digits of your Social Security number and your birthdate. Click the *Find my account* button to move to the final step.

3

On the last screen, you'll be asked to choose your language preference and your sign-in name. You'll also set and confirm your password. Then click the *Create my account* button and you're all set. You can complete your Well-Being Assessment and start earning points for your *Healthy Rewards* points bank.
